## Quality Features

- Rugged resin 8" top rails and 7" resin verticals in earth-tone color.
- Available in 52" pool walls.
- Maximum strength, corrosion resistant hot-dipped galvanized pool wall coated with exterior formulated coatings that provide long lasting beauty while providing a shield against corrosive elements.
- Sophisticated, silver-toned resin top connectors.
- Corrugated pool wall for flexibility and vertical strength.
- Staggered bolt wall closure provides maximum strength and wall stability.
- Large, prepunched skimmer and eyeball return openings eliminate sharp edges that could cut the liner during installation.

- Compac Support System features an easy-to-install, one-part design which provides a stronger installation and a more attractive appearance. Allows larger pools to fit into smaller backyard settings.
- Wide mouth skimmer cut out.

- Premium resin bottom rails ensure a long, trouble free life.

- Vertical end caps, top and bottom are powder coated for additional protection against deterioration.

- Coated stabilizer rails provide an extra layer of protection against corrosion.
